

“For several years I considered WealthCounsel but didn’t join because I had already invested in a different drafting system and its many predecessors. I regret that I thought that I had it covered for so long by the other system. I am confident that WealthCounsel is the *right* choice. WealthCounsel has increased my profitability significantly - even during an economic downturn! Since joining WealthCounsel over a year ago, I have recovered my investment *many times over*. Recently I delivered a package and the client (\$50-\$80,000,000 net worth) said, “Handsome presentation.” I like stuff like that.

Joining WealthCounsel was one of the best business decisions I have made in **40** years of practice!”
